

## Road Safety Education Programme

### Arrival:

Schools normally arrive between 8:00 to 9:30. Upon arrival kids will have a chance to off-load their energy and make a quick stop at the toilets. Free play are allowed in our beautiful garden with lots of play equipment.

### Snack time:

A short break for filling up with some lovely snacks, brought from home, will be given.

*All off the above are done to ensure that kids are calm, not hungry or thirsty and that they are ready to LEARN when they go to the ROAD SAFETY TRACK to LEARN!*

### Learning time:

Our educational programme is presented in our incredible little fantasy mini-town with the help of Danny Cat: This know-it-all life size cat mascot will be used as an educational tool to ensure the kids attention span streeeeetches!! 15-30 minutes

Basic road safety rules for pedestrians will be covered. The length and educational level of this educational talk will depend on the age of the group, the preparation done by the schools before the time, as well as HOW much the teachers want the group to learn.

### Application time:

After learning the basics of pedestrian road safety rules, they can apply their newly acquired knowledge, skills and attitudes in the safe environment of the road safety center while having loads of FUN!

### Play time:

Nobody can only learn!!! Enough time will be allowed for the kids to indulge in some free play, before they leave for their school.
